

**betmanager**

# The social network for sportsbetting

## Your own profile

Create your own profile with profile picture, cover photo and user bio. All tips you publish will show in your profile feed. You can also see statistics based on your tips history.

## Share tips

Share your knowledge with the betmanager community. Get noticed and gain new followers by posting betting tips. Choose event, bet type, odds, bookmaker and stake.

## Follow users

Betmanager is used by a large portion of the professional sportsbettors. Follow the best performing users based on the stats provided on their profile.

## Betracker

Betracker is Betmanagers own accounting system. It's like an advanced spreadsheet. Enter your bets in bettracker and keep track of your performance. Track your bets!
